DOWN THEY COME — Men working on the widening of Imperial Avenue in Lemon Grove stretched for several blocks. Utility poles which had a lot of lumbering work to do this past week as they cut down a row of trees that stand along the street must also be moved.

The Dimmer View

by MAX GOODWIN

U.S. Congressman James Utt, Republican, is one of our better informed correspondents. He keeps a sharp lookout for items germane to good government. One such item, a newsletter from his colleague, Bruce Alger, of Texas, was forwarded to us last week. We, too, think it a simple and interesting presentation of the indelicate fiscal position the federal government finds itself today. We have condensed the allegory slightly in the interest of space. The title is "A Fable?"

Once upon a time two men went into the building business together.

Partner "A" was to set the budget and sign the checks.

Partner "B" was to make the purchases.

Business got off to a good start but "B" began making purchases that seemed desirable if not necessary. Partner "A" complained there wasn't enough money to pay the bills and "B" retorted "You're running the paying end of the business, and" (wagging a finger) "don't run up a deficit. Besides," said "B" "I have been cutting back on spending. Didn't I lop off the office furniture and decorating expenditures? I'm saving money."

"Yes," said "A" but you are charging items we didn't budget; and on top of that you authorized a subcontractor to withdraw construction funds from our bank account as he needs it."

"B" wouldn't be swayed. "A" had to raise money for the bills or face bankruptcy, so he arranged for a 90-day loan. Meanwhile his partner kept buying and the subcontractor kept drawing money directly from the partner's bank account as he needed it.

The 90-day loan was extended and increased. A loan was made from one bank to pay the other and the sad day of reckoning drew near. Finally "A" laid it on the line with his partner. "Our credit is getting shaky and refinancing is getting more difficult. We are forced to pay higher interest rates. We've got to tailor our spending to our income," he said.

His partner argued that each of the things, such as a colorful neon sign, an automatic door opener, thick carpeting, and the like were necessary for the growth and success of the business. . . . and then he criticized "A" for the company's growing indebtedness and even inferred that his partner was paying a higher

Men's Club to Hear Desert Chamber Man

Lemon Grove Men's Club members this Friday will hear William G. Duflock, manager of the El Centro Chamber of Commerce, discuss chambers of commerce and their effect on a business community.

Duflock is a veteran in the Chamber of Commerce business.

Hazard Company Wins Contract For Two Schools

R. E. Hazard, San Diego contractor, was awarded the contracts for site development for two La Mesa - Spring Valley schools, when the LMSV board of trustees met Monday night.

For work at the Spring Valley Elementary School, Hazard's bid was \$21,294. There were five other bids submitted. For work at the Lemon Avenue Elementary School, his bid was \$28,574. There were six other bids submitted.

Work on the two schools should start within a month, according to Fred Lance, business manager for the district. In the case of the Spring Valley Elementary School, the old sewer pumping plant will be torn down.

Helix District Eyes Joint Filtration Plant

Helix Irrigation District officials are "considering" a plan to build a filtration plant in Slaughterhouse Canyon north of Lakeside jointly with Rio San Diego Municipal Water District and Otay Municipal Water District.

The plan was proposed to Helix directors by Charles Price, chairman of the Rio board of directors.

He noted that state health officials have been urging the Helix board to build a filtration plant and said that it "won't be too many months before the state also will be urging the other agencies to do likewise."

Price suggested that the three agencies might pool their resources and build a plant large enough to serve all three, and at a lower cost to each district.

The filtration plant, he said, would eliminate silt, sand, occasional small objects and mud from the water. At present, the agencies chlorinate Colorado River water for distribution but do not filter it.

Clarence Watters, chief engineer for Helix, said this week that the proposal "sounds as though it has some merit."

At last week's meeting of the Men's Club, Earl F. Keyes, zone manager for Investors Diversified Services, Inc., told members about mutual investment funds under which the capital of many investors is combined to employ a professional agency to buy stocks and bonds for the participants.

Keyes stated that it is better to put a set amount into investments on a regular basis than to try to hit the market at low spots. "Put it in when you have it," he said, "and you'll be assured of a general increase in values. If you wait for a low spot, the low spot may come when you don't have any money."

Next week's Men's Club meeting, as always, will be open to any male member of the community.

He added that there would be "serious complications" in having three separate water districts all involved in building one plant and said that it might be necessary to form a special cooperative agency just for the purpose of constructing the facility.

Watters said that no study of the proposal has been made and there has been no "pinpointing" of the location of the plant.

The construction might be contingent on the raising of San Vicente Dam north of Lakeside. If the dam were raised, and the water level also were raised, the capacity of the lake would be doubled.

The Helix engineer would offer no opinion as to whether or not the district will make a serious study of the proposal, although he indicated that the staff will make a feasibility study.

Chamber Urges Immediate Improvement of Campo Road

Lemon Grove-Spring Valley Area In New \$600,000,000 Road Plan

The Lemon Grove-Spring Valley area is included in plans for three new freeways in addition to the extension of Freeway 94, a state official said this week.

Plans already are underway for extending Freeway 94 through Spring Valley to Jamacha Junction, although the exact route has not been decided. A public hearing is set for 7:30 p.m. August 19 at Spring Valley Junior High School to help decide the route.

Robert B. Bradford, state director of public works and chairman of the California Highway Commission, was in San Diego county last week. He said that a newly established long-range plan for state highway development in the county will mean the expenditure of more than \$600,000,000 on new and existing state highways in the county during the next 20 years.

In the Lemon Grove-Spring Valley area, this includes a new freeway coming out of San Diego in the Paradise Hills area, up roughly to Jamacha Road and east to Jamacha Junction, where it will tie in with the eastern end of Freeway 94.

Another freeway will swing north from Brown Field east of San Diego, up past Sweetwater Lake, on up near Sweetwater Avenue through Spring Valley up to approximately Troy Street, where it will curve eastward to roughly along Bancroft and on through Spring Valley to tie in to the freeway at the eastern edge of La Mesa.

The third freeway would come out of San Diego roughly along Jamacha Road at the southern edge of Lemon Grove and swing

Grove Firemen Offer Assistance To Injured Men

Lemon Grove firemen during the past week chased no fires but they did offer first aid twice and worked to prevent one fire.

They responded to a call at 8:30 a.m. last Tuesday when 80-year-old H. T. Miller fell off an awning which he was painting at his home at 3225 New Jersey. Miller's hip was broken, firemen said. He was taken to the hospital by a local doctor.

Firemen also offered first aid to Ronald Wright, 16, of 2806 Cypress at 10 a.m. Monday after the youth cut his finger while helping to dismantle carnival equipment. Wright was treated by a local doctor.

Hospital Planned For La Presa Area By Two Doctors

SAN DIEGO (CNS) — Plans for a medical clinic and eventually a hospital in the La Presa area were revealed Friday before the County Planning Commission, in discussion of the new "R-P Residential-Professional" zone classification.

Dr. Michael J. Saliba Jr. was presented when the commission approved the new zone. He indicated that he and Dr. William T. Maxfield, an associate, would soon make an application for a zone change for land in the La Presa area.

The two doctors now maintain offices in Clairemont, but their plans to start a clinic in La Presa were revealed when the first public hearings was held on La Presa zoning, last December.

The area where the clinic is planned is a block bounded by the following streets, San Francisco, La Presa, Jamacha Boulevard and Pico. R-4 zoning was given during the hearings, to be replaced by the Residential-Professional classification when it could be enacted.

Dangers Cited In 'Bottleneck' Along Highway

Immediate improvement of Campo Road all the way from Freeway 94 to Avocado Boulevard was urged Tuesday night at a special meeting of the Spring Valley Chamber of Commerce.

"We can't afford to sit here and wait for the freeway to be built through here," said Chamber President Jesse Hodge to a reporter later.

He said that directors noted that "it will be at least two years before the location of the proposed new freeway will be pinpointed, and another three or four years to build it."

"In the meantime," Hodge said, "traffic is increasing on Campo Road and a dangerous condition is getting worse."

He pointed to a sharp curve just west of the Growler Cafe as one danger spot and to a dip in the highway east of the cafe as another.

"You can hide as many as four cars in that dip," he said, and you won't see them until you're on top of them."

Hodge also said that parking on the shoulders of the road near the intersection with Bancroft should be prohibited.

"There's only an 18-foot slab of concrete on the road," he said, "when cars park alongside it, it's dangerous for pedestrians to cross, and it's dangerous for automobile traffic to cross."

The chamber president said that Jacob Dekema, chief engineer in this district for the State Division of Highways, has said that Campo Road will be improved for use by local traffic along with the construction of the new freeway.

The road is to be widened and curbs installed in the Casa de Oro business district, Hodge noted, but added:

"It won't do any good to have a beautiful, wide road through Casa de Oro and then run the traffic into a bottleneck a mile or so west of there. There's about 10,000 cars a day that go through there."

Chamber directors voted to send letters to the State Division of Highways and to the County Board of Supervisors urging the improvements to the road. The letter to the supervisors, directors said, was to be sent because the road is to revert to the county after the freeway is built.

DANGEROUS CORNER? — Motorists who pass the intersection of Mt. Vernon Street and Cypress Avenue in Lemon Grove say that when they approach from the east it is necessary to get this far out into the cross lane of traffic before they can see if another car is coming—and then it is too late to dodge if there is another car there.

Business Women Planning Potluck For Annual Party

The Lemon Grove Business Women's League will hold its annual "night out" next month and will invite "the men folk" to join the fun.

This year, social chairman Agnes Sutton said this week, the league will hold a potluck supper party at the recreation hall in Leewood Trailer Park, 7150 Broadway.

The party is scheduled for 7 p.m., August 8.

A "calling committee" is contacting members of the league and urging them to participate.

Local Luau Given By Sorority Sisters

Mrs. Edward Herman of San Diego was hostess of a luau given Saturday night for Mrs. Lindsey Williams of Washington, D.C., in the patio of the home of Mrs. Dorothy Goodwin, 7440 Waite Drive, Lemon Grove.

Mrs. Williams is formerly of San Diego but recently returned from a two months vacation in Hawaii. The three women are sorority sisters.

Floor settings, Mu Mu's and tickle torches were part of the Hawaiian atmosphere provided for 20 guests.

Mrs. Williams, who is an Hawaiian dance instructor in Washington, exhibited many Island dances.

Mrs. Goodwin showed her Hungarian Sheep dog "Maufee Zha Zha" in a canine version of the hula, along with other exercises the dog learned at the Obedience Club of San Diego.

ALTAR & ROSARY SOCIETY PLANS RUMMAGE SALE

The Altar and Rosary Society of Our Lady of Grace Church, Fletcher Hills, is holding its annual rummage sale Friday and Saturday August 7 and 8.

Proceeds will be used for school needs, according to Mrs. Robert Franc, chairman.

Junior Woman's Club To Plan Fashion Show

Mrs. Cal Meier will entertain the board members of the Lemon Grove Woman's Club, Juniors, Tuesday at 8 p.m. at her home. Plans will be discussed by Mrs. Lawrence Sozzani, general chairman, for a fashion show brunch to be held at the Woman's Clubhouse on September 3. Program and planning for the new club year will be outlined by Mrs. Robert Bresnahan, program chairman.

Lemon Grove Juniors participated in the program at the San Diego District Federation's Summer Conference, July 29 at the

Lafayette Hotel. Mrs. Arthur Brown sang, accompanied by Mrs. Richard Meads, others who attended were Mrs. Farrel Patton, Mrs. George Teigen, Mrs. Robert Torrens, Mrs. Warren Peterson and Senior Co-ordinator Mrs. Tom Mitchell.

Action has been taken by the club through its safety chairman, Mrs. Lee Nottingham, alerting the public and local cleaners on the care to be taken with plastic bags. Mrs. Nottingham said that local cleaners were cognizant of the fact that these plastic bags could be dangerous and have said that they will give their customers warning when issuing the plastic bags.

The Club also has voted to support the American Red Cross and local PTAs with their Backyard Swim program. Several members are active in the teaching program and Mrs. Lawrence Sozzani was chosen by the Red Cross to be its representative for the Homeland area.

Reporter Confused— Mixes Up Salons

Talk about the guy who misplaced his wig, we misplaced a beauty salon.

In a yarn in this newspaper last week we listed Velenor Hair Stylists as being in the Sam Matson "complex" of buildings at Pacific and Buena Vista Streets in Lemon Grove.

Actually, the Velenor shop is on Campo Road.

In the Matson development is the Vada-Lois Beauty Salon.

This puts these two outstanding beauty shops back in their proper location.

Thank you!

Water Shortage Hits Cuyamaca State Park

Chief Charles A. DeTurk of the State Division of Beaches and Parks said this week that severe drought conditions in Southern California and a depleting source of water in two Northern California parks will restrict the amount of water available to campers and visitors.

The parks involved are Cuyamaca Rancho State Park in San Diego County and Tomales Bay and Samuel P. Taylor Parks in Marin County.

The shortage at Cuyamaca Rancho exists only in the Green Valley Camp grounds. There will be no showers or laundry facilities available until such time as a new well now being developed is completed and normal service can be restored. The same restrictions will occur at the two Marin County parks.

DeTurk said, "We are taking emergency measures to reinsurance an adequate water supply in the near future at all of these parks and we ask the public's indulgence in the meantime."

"We feel it is better to afford the vacationers camping without the water and laundry facilities than to close the grounds completely. Sanitary facilities will be kept open and there is sufficient water for drinking and cooking in all three areas," DeTurk said. Water sources were not replenished because of the dry Spring.

PAINTINGS ACCEPTED

SAN DIEGO (CNS)—The La Mesa Foothills Art Society has donated 10 paintings to the Edgemoor Geriatric Hospital, Santee, the County Board of Supervisors has been informed. The Board authorized acceptance of the paintings, valued at \$148, by the department of medical institutions. Acceptance of a wheelchair donated by Sewell Marks also was approved.

Miss Duckworth is a graduate of Grossmont High School, and is studying at San Diego State College. Mr. Glazebrook, a graduate of Helix High School, also is attending San Diego State College. The couple plan to be married on August 16.

A meeting of the Sunny Jones chapter of the Military Order of the Purple Heart, and the chapter's auxiliary, has been scheduled for 8 p.m. Tuesday at 7255 Berkeley Drive, La Mesa.

E. Ted Gonsalves, commander of the chapter, said that all combat wounded veterans of any war who have not received the Purple Heart can receive assistance from the service officer in filing a claim to obtain the medal.

SAN DIEGO (CNS) — The agreement between San Diego County and the San Diego and Arizona Eastern Railway by which the county will be able to construct a sewer line under the railroad right of way in the Lemon Grove area has been extended to Nov. 4, 1959, by County Supervisors.

CONTRACT EXTENDED

SAN DIEGO (CNS) — The contract of Dorman Construction Co. for the installation of sewers in the Broadway area of Spring Valley was extended for 30 days by the County Board of Supervisors recently. The contract is now to expire on Aug. 13.

Square Dance News . . .

PROMENADERS

The Promenaders square dance club's recent picnic was voted a success, with a big crowd attending. There was square dancing, boating, swimming and, of course, a wonderful dinner.

The club was hosted by the Rainbow Squares on Thursday of last week.

Frank Dyson was club caller when the club met July 22 for its regular dance. He was assisted by guest callers Ron East, Dell Lake and Al Rider. Host and hostess were Al and Bernice Rider. It was party night and Dovie Grant won a spinning reel.

FRONTIER SQUARES

Frontier Squares danced to a gala evening of fun on their July 25 party night, inviting Bonita Squares and Balboa Park Group to join in the festivity. The theme of the dance simulated a vacation trip "Around the World" with Bill Keller conducting the tour with his colorful calls.

On Saturday, August 1, the club dons traveling clothes to "cross-trail" out El Cajon way where Frontier Squares are being hosted by Cajon Square Dees.

Regular dance nights for Frontier Squares are held on the second Saturday and party nights on the fourth Saturday of each month. All square dancers are invited to dance an evening with the club. The hours are from 8 until 11 at Spring Valley Jr. High School, on Conrad Street, off Campo Road.

JUNIORS

The Jr. Levis and Laces have been very busy for the past three months. In early June our beginners' class graduated 80 members, who have proven to us that they can dance with the best of us.

June 25 was our anniversary party and we want to thank our board, our caller, and our new chairman for the "bang-up job" they did in planning the celebration of our 4th anniversary.

In July came two exciting events: an Hawaiian party and a skating party. The Hawaiian party was a big success with party chairman Don Draper transforming the hall into an island with waving palms and hula girls. As July 14 rolled around, we traded hula skirts for roller skates and became a club on wheels. Ever try square dancing on roller skates?

The Jr. Levis and Laces would like to extend a cordial invitation to all square dancers, teenage and under, to come on down and join us. Dancing is every Thursday night, preteens from 5:45 to 7:15 p.m. and teens from 7:30 to 9 p.m. at the Women's Clubhouse on Main Street in Lemon Grove.

COUNTRY COUSINS

Even the heat did not keep the Country Cousins from dancing up a storm Saturday, July 25. Gaiety will reign supreme on August 22 when we will hold our fiesta dance.

McMahan's Furniture Store Given Approval For New Extension

SAN DIEGO (CNS) — McMahan's of Lemon Grove, furniture company, was given permission by the County Planning Commission Friday to build an extension to its building to the very edge of the alley behind 7696 Broadway.

The action was first opposed by Al Davis, owner of the land on the next block, who said all available width should be reserved for alley. He declared the alleys are not wide enough now.

When told that McMahan's present building is already on the edge of the alley and that granting the variance did not mean that similar action would be taken near his property, Davis withdrew his objections.

Baptist Church Notes

The annual Vacation Bible School of the Casa de Oro Baptist Church will be held August 3 to 7, from 9 a.m. to 11:30 a.m. The theme for the week's program will be "Riding the Range with Christ." Three Circles, "R," "W" and "B," will gather on "Our Ranch" each day. There will be a "branding station" and a "chuck wagon" where refreshments will be served by the ladies of the "cookhouse." There also will be a "blacksmith shop."

The church's missionary study will be on Japan and there will be a gift direct from Japan for all who attend. "Carole the Carp" from Japan also will be present, as well as the "flying horse." The closing program will be held Friday at 7:30 p.m. Everyone is invited, says Rev. Ernest Anderson. The Bible school will be held in the present church.

The Senior High Youth and sponsors, Mr. and Mrs. Wayne Grellson and Mrs. Max Anderson, had a sports party Friday evening at the home of Judith Adkinson. Croquet, table tennis, bowling and other games were played. A devotional period and refreshments followed. This group has enjoyed get-togethers every week during the summer. The Junior High group also meets regularly for devotionals and fun fests.

Rev. Anderson says the new church building at 10195 Madrid Way continues to progress and he hopes to announce the opening date soon. Workdays are being sponsored almost every week by the men of the church.

Trading Stamp Fever Infects Local Family

By Don Wilson

I suppose that we're about like any other family when it comes to saving trading stamps and turning them in for premiums. We have a heck of a time restraining ourselves from rushing down to trade in a book as soon as it is full.

There are some people, I suppose, who have more will power and they manage to hold themselves in check until they have two or three books. I even heard of one woman who saved up 40 books and got a portable typewriter or record player or some such.

But most of us, I fear, fill up a book and trade it in.

So, the other evening we were sitting around the table, licking stamps and wondering what we would get for them.

"We got a premium book in the mail today," Paula said.

WINS FELLOWSHIP — David Dodge of Spring Valley, a program secretary for the YMCA of Greater San Diego, has been awarded a United States National Defense Fellowship to earn his master's and doctoral degrees in sociology at the University of Oregon, beginning this fall. Dodge was a top honors graduate in sociology at San Diego State in June, 1958. He will be one of the first students in this area to receive such a fellowship.

Planners Approve Small-Size Lots

SAN DIEGO (CNS)—Permission to build on 5,965 square feet instead of the required 6,000 was granted to a Lemon Grove property owner at Friday's County Planning Commission session.

The variance was granted to David L. Rutter, for a lot at 3517 Niblick Drive, and the commission was told that the variance was needed because the subdivider had started his project without waiting for completion of survey and, as a result, made some of his lots too small.

It was announced today by John J. Andrews, CLU, general manager of the company's San Diego general office.

The course took a year to complete and put emphasis on adapting the company's insurance program to family and business life insurance investments.

A veteran of the U.S. Army, Colton is a member of the Casa de Oro PTA.

Community Playhouse Schedules Comedy

The Community Summer Playhouse, with participants from both Spring Valley and Lemon Grove, has scheduled the play "You Can't Take It With You" by Moss Hart and George Kaufman for presentation Tuesday and Wednesday.

Curtain time is 8 p.m., at Mt. Miguel High School cafeteria. "You Can't Take It With You" is a zany comedy about the charming and wacky Sycamore family. Penny writes plays and paints; Essie dances, badly; Ed prints circulars and puts them in cany boxes; Paul and Mr. De Pinna make fireworks in the basement.

Alice, alone, appears to be just a little sane. She has fallen in love with her boss, Anthony Kir-

by Jr. of Kirby and Co. They become engaged and Alice plans a dinner party for the two families.

The Kirbys arrive a night early and find the Sycamore household in its usual uproar. Before they can sit down to dinner, the house is raided by police who discover the gunpowder for fireworks in the basement. The whole household, plus the Kirbys, spends the night in jail.

Alice decides to break the engagement, but Tony convinces her that it will all work out—and it does.

In the cast are Janet Butina, Bob Hill, Perry Tuve, Merrily Whitehurst, Ed Kepner, Kay Williams, Bill Carper, Hans Fropppe, Joan Hoffman, David Carpenter, Hale Thornburg, Gary Glaser, Grace Weaver, Steve Tamila, Laurel Hoyer, Susan De Groot, Steve Casner, Ralph Moullisseaux and David Jackson.

The technical crew includes Robert Sanders, Susan De Groot, Steve Casner, Marty De Groot, Eddie Montijo, Mrs. Robert Sanders and Merrily Whitehurst.

Hollywood Highlights

By Bob Turnbull

"Peter Gunn," popular TV detective series has gone high-brow. The Boston Pops include the "PG" jazz theme on all their concert programs. . . . Memo to all those planning to tour the Las Vegas lounges on your vacation: Don't miss an exciting entertainment troupe entitled "Gail Ganley and Her Angry Young Men." . . . Bobby Darin opens at the Cloister on Sunset Strip on July 31. . . . While watching the TV screen the other eve I spotted a modern western—the lynch party was catered by Michael's Restaurant.

SALUTE TO SPEARS

Here's a tip-of-the-hat to a local car dealer, Jim Spears of Spears Ford Company. Whenever I come to this area on business and am "careless" Jim sees that I'm supplied with the necessary transportation. For that Jim, I'm very appreciative and wanted to make public my thanks. . . . Young actor to watch for is Mike Hatam, 24-year-old film and resident and former film star in Iran. . . . Director Larry Moore and wife, actress Adrienne Coffield, threw a informal gathering last week. Guests included Virginia Arness, myself, Lilian Bond, Lee Anthony, Mick Grant (author of "Pink Shoe Laces"), Will Henderson, Beverly Harris and others.

MAFIA IN SHOW BIZ?

With Al Capone running wild on various TV shows I'm beginning to wonder if the Mafia won't start demanding residuals for the re-runs? It's a thought! . . . Actor Dwayne Hickman says "How come all those characters who volunteered for the outer space trip are married?" (That's another thought!) . . . Actress Tuesday Weld goes into the ingenue lead in Columbia's "Harrison High" following her stint in Mickey Rooney's "Private Lives of Adam and Eve." . . . Overheard in Dino's: You're the only husband I ever had who—SIT UP AND PAY ATTENTION WHEN I'M TALKING TO YOU!—ever called me domineering. . . . Until tomorrow, Vaya con Dios!

TO BE WED — Miss Sylvia Diane Sutorus, daughter of Mr. and Mrs. Arthur E. Sutorus, 7855 Sanford Dr., Lemon Grove, is to be married this Friday to Harland Ashley Jones Jr. of San Diego. She is a graduate of Mt. Miguel High School; he is a graduate of Grossmont High. The Rev. Derric Johnson is to perform the ceremony at 8 p.m. in The Skyline Wesleyan Methodist Church, Lemon Grove. The couple plans a wedding trip to Los Angeles.

Dates Given For Church School

Vacation Church School at Lemon Grove Lutheran Church will be held August 3 through August 14.

Hours will be from 9 to 12, with Christ centered lessons, worship, singing, study, recreation, handicraft, and refreshments.

Ages of children accepted will be those entering kindergarten in the fall to those entering the eighth grade. A limited number of three and four year olds will also be accepted.

Lessons this year will be based on the Apostle's Creed.

Lemon Grove Chief Named to Post In Fire Association

Fire Chief Harold L. Hensley of Lemon Grove was elected secretary-treasurer last week of the San Diego County Fire Chiefs' Association.

Twenty-three chiefs of various fire departments met Thursday at Michael's Cafe in Lemon Grove. They also elected Chief Ray Lyles of La Mesa to the post of president, and Chief R. M. Halgren of El Cajon as vice president.

The group meets each month, rotating the meeting places from town to town.

The chiefs at their Lemon Grove meeting discussed a firemen's training program to be held in September at San Diego State College. Battalion Chiefs Robert Ely and Laurence Sheehan of San Diego will teach college credit courses in fire apparatus and equipment and in fire practices and methods.

Grove School Tax Rate to be Lower

SAN DIEGO (CNS)—A 5 percent delinquency rate will be applied to determine the tax rate in the Lemon Grove School District, as a result of action taken recently by the County Board of Supervisors.

The required delinquency rate usually is 10 percent, but Supervisors approved the lower rate for the Lemon Grove district on the basis of the district's collection record. A slightly lower tax rate for the district will result from the reduced delinquency factor.

Eleven Purses Found At Circus Grounds

The Chamber of Commerce sponsored circus was a howling success for all but 11 persons and all of these are ladies.

At least that's the count given by the lost-and-found department of the chamber of commerce.
Chamber manager Jesse E. Lee reported this week that 11 purses had been turned in to him at the close of the show. None of the purses contained money when they were turned in to Lee. Some, however, had social security cards.

Lee says the purses may be reclaimed by coming to the chamber office at 7350 Broadway in Lemon Grove and identifying the property.

SUCCESS — Governor Pat Brown congratulates Assemblyman Sheridan Hegland (D-La Mesa) following his signature making AB 10 a law. This act, first "Gifted Child" law ever to be adopted in California, permits talented high school seniors to attend on a part time basis, junior college classes as extra work. The new law will permit these students to graduate from college or university in three and a half years and it has been widely hailed by educators.

Don Diego Buys Out Gordon's Market

Don Diego Market, Inc., a popular San Diego food chain, will add Gordon's Market of Lemon Grove to its string beginning next week. The market is located at the northeast corner of Broadway and Olive and the name will be changed to conform with the new ownership.

Don Diego Markets owners are Lauren Kuentzel and A. N. "Johnny" Ambler who presently operate others markets in Mission Hills and at 4959 El Cajon Blvd.

Gordon McCorquodale was the owner of Gordon's.

The Don Diego partners have operated supermarkets in San Diego county continually since 1948

and have gained recognition among housewives for quality meat and produce. Produce manager is veteran produce buyer Ray Anderson. No changes will be made in Gordon's personnel, Ambler said. The meat department will carry only U.S. Graded choice and good products.

"We will beat our competitors in quality and beat them on price," Ambler said.

Houses For Rental Yield

Three Times Greater

Return Than Next Best

Investment, Say Experts

If people who own a vacant lot or have a large back or front yard were to build a low down payment home for rental purposes they could solve their retirement problem . . . for the income from rentals will provide for a better retirement by supplementing Social Security, Company Retirement Plans or providing the entire retirement income.

For example, Mrs. Florence Dillon, 76 years, on the advice of her son-in-law who is a Vice-President of the California Savings and Loan League, had Harmony Homes build a home on the front of her property in Bell, California. Today Mrs. Dillon enjoys and easier retirement because her rental income far exceeds her payments . . . and her tenants are buying the house for her besides.

Harmony Homes, leading Southern California "on-your-lot" builders, will advise with you on the possibility of your building a home for income or occupancy.

Harmony Homes, builders of over 7000 homes, with 18 offices throughout Southern California are the only on-your-lot builders: 1.) offering a written money back guarantee on every home they build, 2.) granted indemnity agreements by every major title company in the area, 3.) with a rigidly enforced quality control system. Harmony Homes build quality 2, 3 and 4 bedroom homes ranging in price from \$4695.00 with 100% refinancing available depending on model and area.

Call Harmony Homes, JUniper 3-5333 and discuss your situation with a qualified building consultant, or drop in at Harmony Homes at 4880 El Cajon Blvd. in San Diego, today.

Property Owners Ask Probe of Assessor's Office

SAN DIEGO (CNS) — A demand for a Grand Jury investigation of the County Assessor's office has been made by the Poway Property Owners' League, a communication filed last week with the County Board of Supervisors revealed.

Marion Lester, president of the Poway group, filed a copy of the demand on the Grand Jury, charging an "astounding abuse of an official county position" and asking for "a complete description of how the assessors arrived at their evaluations in Poway."

Lester's letter of complaint told of dealings with the assessor's office. It said, "Perhaps the biggest shock was to be told by the supervisors of the assessor's office that the field assessor could buy and sell traffic in real estate to any extent they so chose and 'so what.' Just what did we mean by complaining?"

Lester also asked, "Why do the people of San Diego County have to beg county departments for decent treatment and legitimate information? What do they have to hide?"

The request of the Poway Property Owners' League for assessment information apparently touched off the request for a Grand Jury investigation.

A NEW PINE TREE — Mrs. Mary Lou Rileys' Blue Bird Group, sponsored by the Lemon Grove Methodist Church, planted a Pine tree in front of the Church Parsonage, home of Rev. and Mrs. Don Cooke and family. This event is part of the Camp Fire Girls Golden Jubilee Project to be celebrated in 1961. This is a three year project in which the Blue Birds will plant one tree for each girl in the group. These trees are purchased at a reduced price from certain nurseries and planted by the girls wherever they are needed in the community. Girls in the photo, from left, are: Lani Orcutt, Barbara Riley, Debra Stephens, Marilyn Riley, Dawn Lindsey, Julie Ann Stroh, Jeanne Le Grand.

FIRST MIDSHIPMAN

The beginning of midshipmen in the Navy is traced to the early days when each warship carried a number of young lads who acted as messengers, rushing orders from the officers to the men up forward. Generally, a midshipman was regarded as an officer candidate.

Protection of Bond Purchasers OK'd by Board

SAN DIEGO (CNS) — Protection of bond purchasers in connection with a La Presa 1911 Improvement Act project was approved last week by the County Board of Supervisors.

Property owners who pay off their obligations sooner than the bond issue calls for will be penalized, as a result of the request of Donald R. Short, engineer, for protection for the contractor who will get the job.

Short told Supervisors that the undeveloped area of the La Presa community required that buyers of the bonds be protected.

A contractor doing a 1911 improvement Act project is paid in bonds for his work, and these bonds must be sold to a financial agency. The contractor is penalized because bids for the bonds often are raised on the expectation that property owners will pay off their obligations sooner than expected and get a rebate on their indebtedness.

Two School Projects Approved by Planners

SAN DIEGO (CNS) — Two school projects in the La Mesa-Spring Valley School District were approved Friday by the County Planning Commission.

The commission approved plans for development of a school site on San Carlos Drive, Spring Valley. The area is suitable as to location, purpose and size, the commission ruled, but it asked that the district give the county rights of way along the site.

Approval was also given for plans for a school building on Noeline Avenue, La Presa.

Service Station Plea Denied by Board

SAN DIEGO (CNS) — A request from a service station operator for permission to build 40 feet instead of 75 feet from the centerline of Sweetwater Road was turned down Friday by the County Planning Commission.

The commission was also informed that the applicant, John Hansen, has "a very large sign extending four feet into the right of way of Sweetwater Road for which no variance was requested."

The property is at the intersection of Sweetwater and Jamaica roads.

Commercial Zoning Approved for Lot

SAN DIEGO (CNS) — A zone change to commercial asked for a lot in the La Presa area was approved Friday by the County Planning Commission.

Mrs. Ida May Army requested C-1 zoning for the corner of Jamaica Road and Leland Street. The land is now zoned for duplexes, and the commission decided that the more restricted C zone and not C-1 would better fit the lot.

A representative of Mrs. Army told the commission that the denial of C-1 and the approval of C would be acceptable. The commission's action must now be ratified by the County Board of Supervisors.

Scout News

Boy Scouts of Spring Valley's Boy Scout Troop 47 went on a practice hike Saturday and Sunday from Pine Valley to Laguna camp grounds. This was with full pack. The hike was preparatory to the August outing at Yosemite Valley, when part of the troop will pack in to the High Sierras.

The troop is planning a ham and turkey dinner, which will be (tentatively) held September 19, in the recreation basement of the Friends Community Church, Bancroft and Kenwood Dr., Spring Valley. The dinner will be open to the public at a donation of \$1.50 for adults and 75 cents for children 13 years and under. The dinner will be "family style."

Cub Scout Pack 47 held its July pack meeting at a camp out at Horses Haven in the Laguna Mountains. After the evening meal was over, everybody settled down around a big bonfire and the meeting came to order. After opening ceremonies and the invocation the following boys were awarded a segment for their part in the Scout Fair.

Allen Bridgewater, Pat Foley, Jay Naliboff, Billy Fritz, Roger Barnett, Bobby Godley, Robert McFadden, Brian Nobel, Mike Scarlet, Stephen Scarlet, Dennis Degan, Bruce Naliboff, Bruce Kerns, Tommy Cady, Bobby Cady, Mike Donnelly, James Goodall, Bruce Masse, Glen Takahashi, Kenneth Haye, Carl Barkowski, Russel Oliver, Jim Bauer, Mike Bauer and Billy Murphy.

It was like Christmas in July as Glen Lindeneau distributed the prizes the boys won for selling tickets for the fair. To each of the top three "salesmen," Billy Murphy, Mike Bauer and Jim Bauer, Pack 47 also presented a trophy. Park 47 received a "well-done" award for its part at the fair.

A fishing trip has been planned for the first Saturday in August for all boys who sold the most tickets from each den, and also the three boys mentioned above.

Mike Rauscher and Billy Baker were admitted into the Webelows Den, and Russell Baker was accepted as a Bobcat.

Youth Guild Art On Exhibit Through August

The Foothills Art Association is presenting an exhibit at the La Mesa Fine Arts Gallery during the month of August of paintings and sketches done by the Youth Guild summer art class held during July.

There were 73 children enrolled in the class. An exhibit of murals depicting the four seasons of the year will be shown as well as individual paintings by the children. A popular vote will be taken for awards, which will be given at the end of the show.

A tea in honor of the students will be held August 2, from 2 to 4 p.m. at the gallery.

The teachers, Mrs. Mary Robbinette, Matilda Flores and Helen Goodall also will have pictures on exhibit at this time along with some of their private students.

God's Minute

"GOD'S EXPECTATION"

When the farmer has planted the grain he expects that in due time there will be a harvest. God expects that there will be fruit in our lives as a result of the opportunities which we have to hear His word. He expects that we will turn to Him and thus become His children and responsible moral citizens.

REV. H. C. BAKKEN
L.G. Lutheran Church Message

LET US ALL PRAY TOGETHER AS A FAMILY

"CITIZENSHIP"

It is a wonderful privilege to call ourselves citizens of the United States. There is another privilege which is even God. This citizenship is received through the new birth greater and more enduring, citizenship in the Kingdom of whereby a person is released from the slavery in sin and made a free man in Christ. Entrance into God's Kingdom is found at the foot of the cross. As you kneel there confessing your sins, a new life of freedom opens before you.

Large Avocado Crop Seen for County

This year's avocado crop in San Diego County appears to be one of the biggest in history, according to a recent report from C. D. Gustafson, farm advisor.

The last two years the crops have been large, the report stated. The 1959-60 crop appears to be one of the largest in history. A large crop means the need for market expansion throughout the nation, as well as intensive advertising in present markets.

A survey conducted by the U.S.

Department of Agriculture among American householders showed that avocados are a relatively unfamiliar fruit. One-fourth of the homemakers said that they had used them in the past year, most of them infrequently; and among the remainder, many said either they had not heard of avocados or they knew little about them. Widest use of avocados was reported in the West and by better educated urban and upper income home-

makers.
The most important appeal of the fruit was its taste—"distinctive," "mellow," "rich," "nutlike," and "buttery." Other mentioned reasons were healthfulness, contributions to salads, and menu variety. Major deterrents to year-around or more frequent use of avocados were cost and lack of availability.

Fruit quality is important in the avocado industry, Gustafson said. Future markets will demand top quality fruit. Growers are being encouraged to eliminate poor quality varieties and topwork to market accepted types. Recommended varieties for San Diego county are Hass (all districts) and Fuerte (all districts except coastal).

rate of interest just to make banking "friends."

"A" was stalemated. How long could he avoid alarming the creditors? How could he explain the situation to investors in the firm? Finally, how could he set the firm on the course of solvency?

Fable?

Fable? Let's make some substitutions using government. Partner "A," the Administration, prepares a budget and must sign the checks in government. Only partner "B," the Congress, may authorize expenditures and is expected to provide enough income (through taxes) to pay the bills.

As spending by Congress exceeds income (\$13 billion last year) the Administration, to meet its bills, must borrow more money, and refinance its older debts as they fall due.

This makes more demand for available loan money and the price for the use of money automatically goes up. That's all interest is — the price paid for the use of money. The more people who want to use what money is available, the higher will be the price the borrower will have to pay for it.

The root problem again is spending. Continual deficits and inflation add to the woes. Yet, some Congressmen who vote for big spending also want to decrease the government's income (taxes) and loudly blame the Administration for the fiscal problems.

The voter is exhorted to point his finger at the "Big Spender" in Congress as the real culprit. His activities hurt everyone, but mostly the so-called "little man" and the average families who must foot most of the tax load and are most cruelly hurt by inflated prices left in the wake of fiscal foolishness.

Valley Firemen Quell Two Blazes, Offer Assistance

Two fires and two ambulance calls were chalked up by the Spring Valley fire department during the past week, July 22-29.
July 27, at 8:36 p.m., the ambulance was called to the home of D. Downs, 9350 Vista Dr. The Downs' seven-month-old child was suffocating. He was given oxygen and taken to Grossmont hospital for further treatment.

July 28, at 9:18 a.m., fire trucks and crews went to the home of R. M. Godwin, 3791 El Canto Dr. The fire dept. reported that the Godwin garage caught fire due to a short in the electrical wiring. Damage was nominal.
On the same day at 10 a.m. the ambulance was called to 8730 Tyler St. John Curtis, 73, was pronounced dead by a Lemon Grove physician and the body sent to the county morgue.
Then at 11:21 a.m. the same day fire trucks and crews were called to 8935 Golf Dr. in Brookside. Fire in dry grass got out of control. The fire was illegal burning, the report stated.
